

Agata Tomaszewska

Digital Designer

Digital Designer with experience across branding, UI/UX, editorial design, and front-end implementation. I create visual identities, interfaces, prototypes, and marketing assets, combining strong visual thinking with practical digital tools such as Figma, Adobe Creative Suite, React, and Blender.

EXPERIENCE

04

2022 - Present

Part-time Bartender / Waitress

Worked alongside full-time studies, managing customer service, multitasking in a fast-paced environment, and staying organized under pressure.

Developed strong communication, time management, and problem-solving skills while balancing work, deadlines, and academic projects.

2019 - Present

Freelance - Project-based

Selected client and academic projects.

Created print and digital materials including flyers, posters, business cards, CVs, infographics, and social media assets.

Edited photos, prepared publication layouts, and adapted designs to different client and project needs.
